

# setup

I am using the following hardware for this setup

- 1 DrayTek Vigor 165 as VDSL2 Modem (250/40 Connection)
- 1 apu3c4 (black) as OPNsense router (VLAN WIFI LAN)
- 1 apu3c4 (red) as docker host (LAN) with a 1TB SATA SSD inside
- 1 Cisco SG 200-8
